HANDLING OF FIREARMS:

Handling firearms behind the firing line is not permitted. The handling of firearms is defined as anything a competitor does to operate the mechanism, shoulder, aim, put a sling on, load, practice loading, insert a clip or magazine, or otherwise perform any action that would prepare the competitor to fire the firearm.

Competitors may load clips or removable magazines in the ready area (so long as they are not inserted in the firearm).

During a “HOT” range condition, competitors may carry their rifles and equipment to the firing line, they are permitted to handle their rifles on the firing line as long as the muzzle remains pointed up or downrange and an ECI remains inserted.

COURSE OF FIRE:

unlimited sighters, and then 5 record shots at each of the 3 bulls (800, 900 & 1000 yards simulated)

- 15 shots for record at each simulated distance. 5 shots on each of the 3 record bulls per simulated distance. A total of 45 record shots for the match aggregate. Extra shots at a record bull will receive a 10 point penalty for each extra shot. Less than 5 shots at a record bull will receive a 10 point penalty for each shot less than 5 on the record bull.
